Index to Volume 49—1981

A

Adhesives—what to look for, Photographic mounting boards and 109
Aid to hiring non-technical photo department personnel 27
Arendt, Kenneth A. 21
Audio-visual communication in medicine and the life sciences, IMBI '81, Warwick University, Sheffield ..19, 61

B

Biophotography salary survey—1980 87
Black and White, In 142
Book reviews 20, 86
Byrne, Richard 39

C

Caliendo, Marilee A. 27
Certification program 31, 91
Control, Microcomputer application for camera, lighting, and device 53
Control, Wide-range, digital intervalometers for camera 45
Cooke, Samuel L., Jr. 53
Copying radiographs, Polaroid® type 611 video image recording land film for 49
Copystand, Fiber optics at the—another application 55
CRT display, Synchronized motion picture recording of 59

D

Developers, Practical comparison of highly regarded 119
Digital intervalometers for camera control, Wide-range . 45
Drury, Philip J. 59

E

Edgerton, Harold E. 25
Electronic flash sources and films for plankton photography 25
Electronic pointer for television micrography 21
Endoscopic photography in otolaryngology 101

F–G

Fiber optics at the copystand—another application 55
Films for plankton photography, Electronic flash sources and 25
Flash sources and films for plankton photography, Electronic 25
Fluorescence photography of the Shroud of Turin, Ultraviolet 71
Gray, David E. 87

H

Herman, Richard L. 119
Hiring non-technical photo department personnel, Aid to 27
Honors 24, 52, 92, 137
Hurtgen, Thomas P. 142

I

Illuminator for radiographs, Selective 115
IMBI '82 122
In black and white 142
Intervalometers for camera control, Wide-range, digital 45

J

Jirat-Wasiutynski, Thea 109
Journal of Audiovisual Media in Medicine 140

K

Katzenberg, Barbara 101
Keynote address—50th anniversary BPA meeting, Boston, Massachusetts 39

L

Lanier, Thomas W. 113
LaBeau, Leon J. 7, 20

M

Microcomputer application for camera, lighting, and device control 53
Microculture and serological reactions, Photography of compartmentalized plastic strips, trays, plates and slides used for 7
Micrography, Electronic pointer for television 21
Miller, V. D. 71
Motion picture production, Systematic approach to medical 123
Motion picture recording of CRT display, Synchronized 59
Mounting boards and adhesives—what to look for, Photographic 109
Myers, Robert L. 123

N–O

New products 32, 62, 93
O'Neill, Jerome P. Jr. 32, 62, 93
One thousand and one—Producing synchronized slide and videotape productions 113

Otolaryngology, Endoscopic photography in 101

P

Pellicori, S. F. 71
Personnel, Aid to hiring non-technical photo department 27
Photographic mounting boards and adhesives— what to look for 109
Photography of compartmentalized plastic strips, trays, plates and slides used for microculture and serological reactions 7
Pier, Alexis F. 55
Plankton photography, Electronic flash sources and films for 25
Pointer for television micrography, Electronic 21
Polaroid® type 611 video image recording land film for copying radiographs 49
Practical comparison of highly regarded developers 119
Productions, One thousand and one—Producing synchronized slide and videotape 113

R

Radiographs, Polaroid® type 611 video image recording land film for copying 49
Radiographs, Selective illuminator for 115
Radzyner, Howard J. 49
Richards, Barry W. 59
Richards, O. W. 20, 86

S

Salary Survey—1980, Biophotography 87
Schmidt Award, 1981 Louis B. 138
Selective illuminator for radiographs 115
Serological reactions, Photography of compartmentalized plastic strips, trays, plates and slides used for microculture and 7
Shroud of Turin, Ultraviolet fluorescence photography of the 71
Spenceley, Brian J. 45
Spectrum 81—BPA 51st Annual Meeting, Toronto, Canada 3, 68, 108
Sustaining Members .....6, 58, 100, Cover 3 (No. 4)
Synchronized slide and videotape productions, One thousand and one—Producing 113
Synchronized motion picture recording of CRT display 59
Systematic approach to medical motion picture production 123

T–U

Television micrography, Electronic pointer for 21
Ultraviolet fluorescence photography of the Shroud of Turin 71

V–W

Video image recording land film for copying radiographs, Polaroid® type 611 49
Vision '82, BPA 52nd Annual Meeting, San Diego, California 141
Wide-range, digital intervalometers for camera control 45
